

Make After-School Count!

Bedtime Math presents Crazy 8s, an after-school program to help schools launch recreational math clubs. We offer 24 weeks of activities packaged in three 8-week kits for Grades K-2 and 3-5. Unlike competitive clubs that appeal to a select few, our activities – like Glow-in-the-Dark Geometry and Beach Ball Party – can appeal to any kid. We're making math club the cool thing to do after-school!

Our goal with Crazy 8s is nothing short of overhauling our country's culture around math. While many Americans dislike or even fear math, we hope to raise a next generation who loves numbers.

Here's how Crazy 8s fulfills that mission:

- ★ It's **collaborative**: The activities get kids **working together**, building together, running and jumping together, so they can **bond over math** in a whole new way.
- ★ It's **hands-on**: Our **lively get-up-and-move activities** explore the math behind kids' favorite things, like treasure hunts, card games, puzzles – even secret codes!
- ★ It's **proven**: A study by Johns Hopkins University found Crazy 8s **reduced kids' math anxiety after only 8 weeks in the club**. We hear from many of our teacher coaches that students participate more in the classroom because of Crazy 8s.

**Celebrating 10 years of over-the-top math fun
enjoyed by more than 300,000 kids nationwide.**

**Start a club today!

Cost-Sharing Contribution

As part of our charitable mission, Bedtime Math heavily subsidizes the overall cost of each Crazy 8s club, **valued at more than \$400**.

We ask our Crazy 8s partners to **contribute \$128 for each 8-week kit**. That's just \$1 per kid per week for a club of 16 kids.

Schools that commit to 16 or 24 weeks upfront receive a **bundled discount**: \$198 for kits 1 and 2, or \$268 for all 3 kits.

Federal Title I and Title IV funding can be used for this educational resource.

Kit Contents

Our kits provide most of the materials needed to run a club, along with math-y take-home items for the kids. Coaches need to provide a few supplies like scrap paper and scissors. To make Crazy 8s the best it can be, our online Coaches' Area includes step-by-step directions, how-to videos and other resources.

Honor Code

All Crazy 8s partners must apply online, then do a brief phone call with one of our Crazy 8s Ambassadors. During this call, we'll review our Honor Code:

- ★ Clubs must meet **weekly either before or after school**, ideally for 8 consecutive weeks. We'll also allow clubs to meet twice weekly or daily for a 1-week camp.
- ★ Each club should include at least 12 kids, but **no more than 16 kids**.
- ★ Kids must be **grouped Grades K-2, Grades 1-3 or Grades 3-5**. Clubs can serve a single grade or a pair of grades within those ranges, but they should not be expanded beyond them.
